TO KEEP THE PEACE.

A Pistol Carrier is Bound in One Hundred Dollars.

William Woolham, alias Billy the Clipper, was ordered to give a bond in the District Court to the amount of \$100 with two good sureties to keep the peace against the person of Lieutenant Gus Cordes, of the mounted patrol, for six months from date. Woolham threatened to shoot Cordes in a restaurant on Hotel street, while under the influence of liquor, on Sunday night. No pistol was displayed at the time. Cordes left the restaurant and brought his captain, and Woolham was arrested for using threatening language.

Rare Chance.

Ladies who are on the lookout for Christmas presents should call at the Ceylon jeweler's store on Nuuanu street, where they can buy the best gems out from Ceylon at clearance sale prices. A POINTER!

The rainy season is coming, and if you want to shield water like a duck you must be provided with a Rain Coat. I have just received a new invoice of Ladies' English Macintoshes—in fact, I shall make a leader of these goods for the next few weeks and at such prices that I expect to see every lady in Honolulu properly clad for rainy weather.

White Shoes

will not be worn in muddy weather. The reason is apparent and doesn't need explanation.

Tan Shoes

will probably take the place of the white ones for the next few months, and to match these I have an elegant line of Tan Stockings in numerous shades.

Hats.

Oh, yes, Trimmed or Untrimmed? Untrimmed! All right. Just pick out the shape. They are all new and the very latest. After you have selected one that suits your peculiar style of beauty I will introduce you to our expert milliner, who will help you select the trimming and I guarantee to finish you a hat that you won't be ashamed of.

Anticipating.

always doing this and this time I think I have hit the nail by laying in a fresh supply of Ladies' and Children's Undervests from 25c. up.

Dr. Warner's

Corset Waists will make an acceptable increase to your wardrobe. We have 'em.

Belts.

Nothing looks so pretty around a lady's waist (except an arm) as one of our Belts. I have both Silk and Leather with new designs of Buckles. If you don't believe me come and try one on (not the arm but the Belt).

As usual,

J. J. EGAN,

SHOOTING RIGHTS AGAIN.

A Penal Summons Served on W. Cunningham.

William Cunningham called on Deputy Marshal Brown yesterday afternoon and politely asked that official whether there was a penal summons out for him, Marshal Hitchcock having told him on the street that there was. He was going to Waikiki and he did not wish to give the police any extra trouble chasing him up. The Deputy Marshal thanked Mr. Cunningham for his courtesy, and wished there were more such accommodating people. The summons not being ready Mr. Cunningham went to Waikiki. It is at the instigation of S. G. Wilder and others and summons W. Cunningham to appear in the District Court and show cause why he should not be found guilty of carrying firearms and shooting at Ewa on Sunday last.

A Grand Feature

Of Hood's Sarsaparilla is that while it purifies the blood and sends it coursing through the veins full of richness and health, it also imparts new life and vigor to every function of the body. Hence the expression so often heard: "Hood's Sarsaparilla made a new person of me." It overcomes that tired feeling so common now.

Hood's Pills are purely vegetable, perfectly harmless, always reliable and beneficial.

LADIES' COLUMN.

That there is considerable interest being taken in our proposed Volcano trip is quite evident from the various questions asked us. As we have said before we would like to send you all at our expense, but our Quick Sale and Small Profit system of doing business does not leave us margin enough for that, so we have been to see Mr. Chase, the General Passenger Agent at his office, Williams' Art Rooms, and made this arrangement with him, viz: That to any person forming a CLUB of not less than ten people, (holding one or more of our Sales Tickets) he will issue a round trip ticket to the Volcano at a Reduced Rate. You can go whenever you please, but must all go together. He further says that any one wishing to join the party can do so independently of the Club if they have one of our checks. To those who wish to make the Volcano trip now is the time to take advantage of the reduced rate. We have so many new things to talk about this week, it's hard to know where to begin, but we must call your attention to the fine line of Ladies' Underwear just received.

CHEMISES, DRAWERS and NIGHT GOWNS of latest patterns in all grades. We also call especial attention to some new designs of Ladies' Night Waists just received. New goods are being opened daily. Do you want to go to the Volcano? If so SAVE your Quick Sale and Small Profit tickets.

Little May Bentley

Born a Genius

Disease Threatens to Cut Short a Noble Career

But Hood's Sarsaparilla Restores Good Health.

Little May Bentley is an accomplished elocutionist and natural born speaker of only 12 years of age. She is the only child temperance lecturer before the public. Her genius, however, did not exempt her from an attack of a disease of the blood. Her own words best tell the story: "C. L. Hood & Co., Lowell, Mass."

"I heartily join with the many thousands that are recommending Hood's Sarsaparilla. I had been troubled from infancy with gonorrethas in the head. I was compelled to leave school upon the doctor's advice. He thought it was the only thing to save my life, but I

Continued to Grow Worse. I was persuaded finally by a friend to try Hood's Sarsaparilla. The use of one bottle acted effectively upon the blood and began to improve. After the use of three bottles the gathering ceased and I am cured of my former trouble. I owe my life and will always remain a true friend to Hood's Sarsaparilla."—LITTLE MAY BENTLEY, Shelbyville, Indiana. GET HOOD'S.
